The diagram illustrates a network structure. At the center is a large blue circle labeled 'AW'. Two smaller white circles, each labeled 'Akupunkt...', are positioned vertically above and below the central circle. These two peripheral circles are connected to the central circle by solid vertical lines. Additionally, the two peripheral circles are connected to each other by a dashed horizontal line. A small blue dot is located on the dashed line between the two peripheral circles. A pink rectangular box labeled '2 Firmen' is positioned to the right of the central circle, indicating the number of firms in the network.
