The diagram illustrates a circular supply chain structure. At the center is a large blue circle labeled "CM". Surrounding this central node are two smaller white circles, each labeled "Cotting ...". These two peripheral nodes are connected to the central "CM" node by solid lines. Additionally, the two peripheral nodes are connected to each other by a dashed line, forming a triangle. A small blue dot is located on the dashed line between the two "Cotting ..." nodes. A pink rectangular box labeled "2 Firmen" is positioned to the right of the central "CM" node, indicating the number of firms in the network.
