The diagram illustrates a network structure. At the center is a large blue circle labeled "GS". Three smaller white circles, each labeled "Gustoil ...", are arranged in a triangle around the central circle. Each "Gustoil ..." circle contains a small blue dot at its top. Solid lines connect the central "GS" circle to each of the three "Gustoil ..." circles. A dashed line forms a larger circle that encloses the three "Gustoil ..." nodes. A pink rectangular box with the text "3 Firmen" is located to the right of the central "GS" circle, between the top and bottom-right "Gustoil ..." nodes.
