The diagram illustrates a network structure with a central blue circle labeled "BG". Three smaller white circles are arranged around it, each containing a name: "Boran Gü..." at the top, "Gül Hüse..." at the bottom left, and "Gül" at the bottom right. Each of these three outer circles has a small blue dot above it. Solid lines connect the central "BG" circle to each of the three outer circles. A dashed line connects the three outer circles, forming a triangle. A pink rectangular box with the text "3 Firmen" is positioned near the top right of the dashed triangle.
