The diagram illustrates a well-connected network. At the center is a large blue circle labeled "WC". Surrounding this central node are two smaller white circles, each containing the text "well com...". These two outer nodes are connected to the central "WC" node by solid vertical lines. Additionally, the two outer nodes are connected to each other by a dashed arc that forms the upper and lower portions of a circle. A small blue dot is located at the top and bottom of the dashed arc, where it meets the central vertical line. A pink rectangular box with the text "2 Firmen" is positioned to the right of the central "WC" node.
